

Asset Finance Technology Seminar

Thursday 8 October 2020

The FLA's Tech Seminar will explore the impact that technology is having, and will have, on the asset finance sector. The seminar will set out why tech matters, feature an FLA member firm case study, look at the challenges and opportunities of open finance, and conclude with a panel discussion.

Who should book?

- Senior managers from the asset finance industry
- Finance providers
- Senior managers from associated service providers such as law firms
- IT providers and consultants
- Technical Business Consultants

Please note: all FLA meetings and events, including social events, are subject to the application of competition law and therefore must be conducted in compliance with competition law. Any business information which is sensitive or strategically useful must not be discussed, including any reference to pricing, margins, discounts, trading terms, use of third party suppliers or market share. You are reminded that failure to comply with competition law may bring with it serious consequences for individuals and their companies. Such consequences include heavy fines and, in certain cases, the imposition of criminal penalties and sentences.
